Fundraising/Donations

While the Farmer's Market is able to provide you with a space to promote your non-profit business/volunteer organization, we do not allow any form of item sales. However, organizations will be allowed to do raffles or have donation collection bins displayed in order to help raise funds. There will not be any Solicitation allowed – you are not allowed to walk throughout the market to make any distributions.

All applicants are held responsible for the delivery of any product sold and will abstain from involving the Kankakee Farmer's Market in any organization transactions. Donations collected or items sold are strictly the responsibility of the above mentioned organization. Please include any organizational documents (i.e. insurance, 501c3, informational etc.) with this application.
