# About The Market

The Kankakee Farmers Market is the only market in the area which takes place on Saturdays, making it one of the most popular weekend destinations for miles and miles around. A remarkable center for community gathering, the Kankakee Farmers Market also welcomes people from as far away as neighboring states who travel to Kankakee in order to take advantage of the local fresh produce, handmade goods, and freshly-made, ready-to-eat foods. The Kankakee Farmers Market is family-friendly, providing activities and music to visitors of all ages.

# About The Sponsorship

The 2023 Entertainment Sponsorship will be providing 26 weeks of music and special events for the Kankakee Farmers Market and to our community. Our weekly customer average 2,000-3,000 visitors per weekend. The majority of our music lineup celebrates local talent and our special events are coordinated with various community groups and businesses in the area!
